Enjoy the quiet comforts of the Avalon, a beautiful 4 bedroom family home.

This well designed home features distinct living spaces with quality features and construction. The main level of this open concept home features plentiful natural light, comfortable rooms with a casual flow.

Upstairs you will find 4 fully appointed bedrooms. The master suite is a relaxing space with his and hers walk-in closets and master bath featuring separate vanities, a soaking tub and separate shower.

Floorplans and elevation are an artist's concept only and are subject to change without prior notice. See builder for actual detailed landscape and plans.
