Enjoy the luxury of space in the Miramar; an exceptional 5 bedroom family home.

Inspired home design provides for distinct living spaces with quality features and construction. The main level of this open concept home features an inviting great room with a large island kitchen opening onto a relaxing lanai. The main level master suite lives up to it's name, while providing separation from the remaining sleeping quarters.

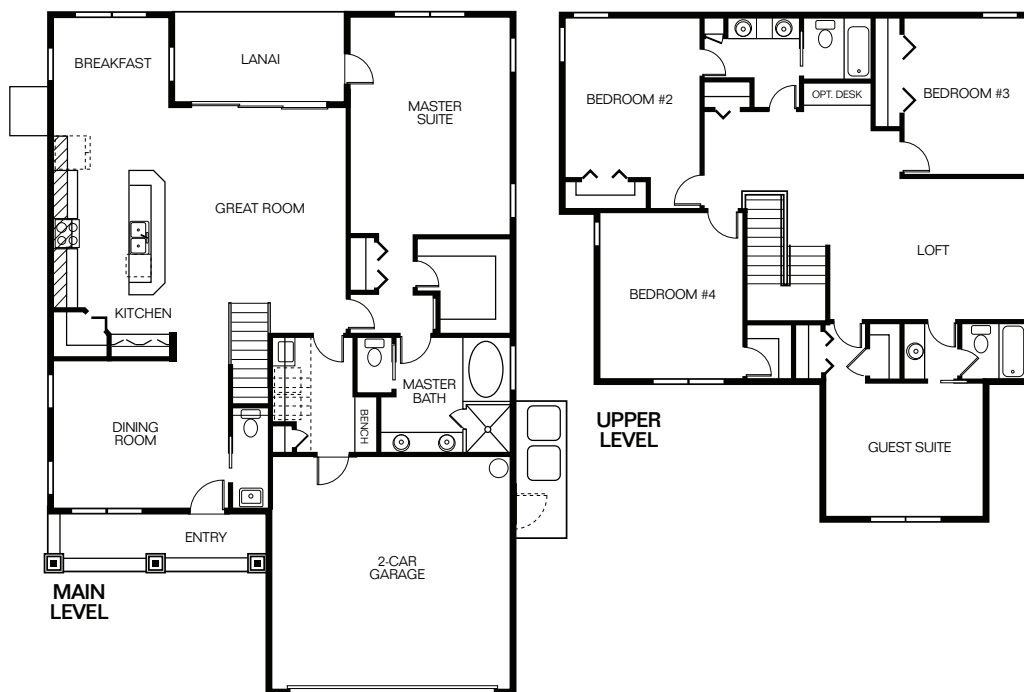

Upstairs you will find 4 large bedrooms including an expansive private guest suite and open loft area.
